Packages Curated By

Your Partner in Longevity

ATA Medical

Dr Leonard Leng

MBBS, MMed FM, GDOM

Medical Doctor - Family Physician - Designated Workplace Doctor

Staying healthy starts with understanding where you are today and making thoughtful choices from there. We are here to guide you, one step at a time.

Our longevity screening packages are thoughtfully **curated by Dr Leonard Leng** and can be conducted by any of **our qualified doctors at ATA Medical.**

Why Longevity Screening?

Catch Issues Early

Many health conditions develop silently. Our comprehensive panels detect early warning signs years before symptoms appear, giving you time to act.

Personalised Insights

Every report comes with a one-on-one review by our doctors, who take time to explain your results and create an actionable plan tailored to you.

Beyond Standard Tests

We include markers like ApoB, HOMA-IR, and homocysteine that most health screenings miss but are crucial for predicting long-term health.

A Caring Approach

At ATA Medical, you're more than just a number. We build lasting relationships and support you on your journey to living healthier, longer.

Ready to take the first step toward a healthier future?

Book your longevity screening today — let's start your journey together.
